

Special Need Program (SNP) & Medication Therapy Management (MTM) Program

What are the SNP & MTM Programs?

- ☆ Both measures have a weight of (1) and are part of the **CMS STAR Rating System**.
- ☆ We conduct a telephonic generalized health assessment and educate members on their current medication regimen.

How does your patient become eligible for this measure?

- ☆ SNP program: part of our SNP PBPs (Chronic or Dual).
- ☆ MTM program: have multiple chronic conditions, taking at least eight unique Part D Drugs; and incur an annual cost of at least \$4,935 for all covered Part D drugs.

What is the Call to Action?

- ☆ Ensure office staff is aware that the health plan may contact to verify patient's demographic information.
- ☆ Address potential barriers to adherence and interactions.
- ☆ Consider low-cost **generics** and **90-day** prescriptions for improved adherence.
- ☆ Confirm **active prescriptions accurately reflect current dosing**.
- ☆ Discuss **mail order** pharmacy for chronic condition medications.

Please **fax** medical records to **877-741-9186**
